

**David Crous Duran**  
**Public Relations, Sustainable Energy, Europe Campaign, European Commission,**  
**DG TREN**

David Crous Duran has a Degree in Political Science and International Relations (2004) and a MA in European Studies (2005). Since September 2007 he is responsible for the Public Relations Desk of the Sustainable Energy Europe Campaign, an initiative of the Directorate-General Energy and Transport of the European Commission bringing promotional and communication support to public and private initiatives in energy efficiency, renewable energy technologies, clean transport and bio-fuels. In particular, David is in charge of the communication strategy and the recruitment of Official Partners. He is also responsible for the international representation of this EC programme.

Before working as Public Relations for the European Commission, David was working as a researcher in EU affairs in Brussels and New Delhi, as an NGO project consultant in Mumbai as well as a project coordinator for the private sector in Spain, India, UK and Ireland. David's interests include European integration and EU public affairs, international, environmental and energy security, political communication and public relations.

David was born in Barcelona in 1979 and he is fluent in English, French, Spanish, Catalan and Portuguese.
